Hello Lakers Friends and Family:

It is amazing that we are approaching the winter season! There have been many exciting things taking place, and many upcoming events at Harvey High.

Basketball season is underway, and the teams are representing the school and community at their very best. Come and check out a live home game or watch it being streamed live by our in-house stream team!

The grade 6/7 class has the opportunity to learn alongside Partners for Youth/Sport3. Sport3 is a unique program designed to empower youth to become better conversationalists, positive leaders, and role models on and off the playing field in their local communities. The purpose of Sport3 is to engage a diverse population of youth through sport whilst educating them on fair play, peaceful conflict resolution, health, competition, and respect.

The theater group has been hard at work for the upcoming performance of Agatha Christie's "Mouse Trap". The overview is: "As news spreads of a murder in London, a group of seven strangers find themselves snowed in at a remote countryside guest house. When a police sergeant arrives, the guests discover – to their horror – that a killer is in their midst! One by one, the suspicious characters reveal their sordid pasts."

Harvey High Community Helpers is up and running with a great group of dedicated volunteers. They held a canteen at a recent basketball tournament and have organized the Ladies Gala Night for November 17. This group is always looking for additional people to lend a hand, contact the school if you are interested.
