**#FindTheKind in your
school or community.**

Join our #FindTheKindNB Scavenger Hunt on February 22, 2017

Instead of searching for material items, youth in New Brunswick will come together to check off an acts of kindness checklist. Make someone smile, do a good deed, and demonstrate how the power of positivity can create a safe and caring environment in our schools and communities! Grab a photo or video of each task you complete and share your #FindTheKind journey with us on Facebook, Twitter, and Instagram using #FindTheKindNB and #PinkDayNB.
