

# HARVEY HIGH NEWS

## June 2017

As the year winds down, we are once again reminded of our community's many businesses, organizations and individual members generosity. We are most appreciative of the continued financial support of our undergraduate and graduate prize programs. We are fortunate to be able to recognize many of our students for academic excellence. Principal's Merit awards are also given to recognize those who demonstrate an exemplary work ethic and attitude. A complete listing of donors and prize winners will be published in the July issue of the Lionews.

Another successful year has finished for the Laubach Tutor Program at Harvey High School. Four middle school students worked hard with their tutors for half hour sessions twice a week. These tutors are volunteers from the community who come into the school to work on literacy skills one-on-one with "their" students. Judy Cammack, Ruth Collicott, Brenda MacMinn and Martha Willett have been with this program from its beginning eight years ago. Their dedication and commitment to students is greatly appreciated. On May 3<sup>rd</sup>, the Laubach tutors and students celebrated the end of the year with a snack and certificate presentations. The total amount of hours volunteered this year was two hundred five and one half. Nancy Christie works tirelessly to ensure the success of this program.

Volleyball and Track & Field seasons are completed. All of our volleyball teams competed well at provincials with our Senior Boys team narrowly missing a berth in the Provincial Championship game, finishing third in the province. In track & field, Taylor Bennett finished a very respectable 4th place in senior girls shot put. As well, we had many top 6 finishes at the middle school track & field district playoffs in Fredericton.

The annual HHS Awards Evening was held on Wednesday May 31st in the HHS gym from 6:30-8:30. A great crowd of over 250 students and parents were in attendance as we recognized our students for their participation and achievements in extra-curricular sports and activities.

A final thank you this year to all the volunteer coaches, group advisors, drivers, minor officials, canteen workers and other volunteers who help make our extra-curricular programs at Harvey High so successful.

Once again this summer, Harvey High Summer Programs will be offering a full complement of theme camps, sports camps and evening activities. A summary of these programs is found in this edition of the Lionews.

Under Mrs. Swan and Mrs. Aresenault's guidance, staff, student and parent volunteers are labouring diligently to make the events surrounding graduation memorable. Mr. Bradford and Mrs. Henry, along with the Safe Grad executive, are organizing Safe Grad- not a small task!. Without this dedication and commitment to our students, graduation and the associated events would not be as special. Grand March begins at 8:00 p.m. on the 20<sup>th</sup> and graduation at 7:00 p.m. on the 23<sup>rd</sup>. The advantages of attending a small rural high school certainly becomes apparent over the course of these festivities!

Our Cooperative Education Program provides students with invaluable work experience, and encourages them to continue in post-secondary education or enter into apprenticeship programs. The continuing success of this program relies on the expertise and cooperation of employers.

If you have interest in hosting a Cooperative Education student in the future, please contact Jeff Murch at Harvey High School, at 366-2200.

## CALENDAR

- June 20** Grand March (8:00 p.m.) and Prom
- June 21** Laker Pride Excursion
- June 23** Graduation (7:00 pm) and Safe Grad
