

**Hubbard Happenings
Wishing for Spring!**

April 2016

Parent/Teacher or Student Led Interviews

Interviews are coming up on Thursday, April 7th and Friday morning, April 8th for our second term. Please arrange a time to visit with your teachers, especially if they have indicated that they would like to meet you about concerns. Report cards will be sent home on Tuesday, April 5th. If your interviews are student-led and you would like to speak privately with the teacher, please let them know separately. See you then!

Dates and Information to Note:

Our *Hubbard Heritage Fair* celebration and showcase of Canadian and New Brunswick Heritage will take place on April 12th and details were sent home. Students should be working on these now and almost ready for the April 7th date to pass these in. We always look forward to the creative projects and will welcome many special guest judges to the fair. Thanks Mrs. Dunn and our team who work to make this a success. Parents are welcome to stop in to view the projects. Grade 5 will be judged in the morning and 3-4 in the afternoon. Remember that your child is expected to be involved in a project, grade 3 is classroom based. There will be musical performances at the opening ceremony that will begin at 9:00. You are welcomed to come to watch. Ask your child if they are performing!

Thank you again to *Rinehart Orthodontics*, who sponsored the medals for our Heritage Fair. This kind contribution has put a smile on our faces in more than one way!!! They have also sponsored team/club shirts and will be providing a new banner for our school.

Music Festival is in the air and our girls and boys choir will be attending the festival on April 25th! See the calendar for details and thanks to Mrs. Hanson our music teacher, Mrs. Edmondson and Ms. Fillman, who have helped prepare our students. If you would like to see your child perform at the festival, the cost is minimal and you must be there earlier than the performance time as the organizers will not let you in if you are late!

In *PHYS ED News*, Mrs. Bourque has been busy with both floor hockey and basketball. Our basketball teams are hosting a tournament on April 22nd in the afternoon Go Hurricanes! Thanks Mrs. Bourque!

Thanks Hubbard for your support with our *fundraising* this term. The cookie dough orders are due on Wednesday. We make great efforts to give back to students directly and because of fundraising we are able to offer special performances and presentations free of charge. Thanks also to our parent group who have been so supportive!

The next round of Enrichment Clusters begins today!	30 There will not be a Hubbard Parent Group Meeting this month. Mrs. Miller will reconvene as necessary in May!

Please be reminded that your child still requires **TWO** pairs of shoes for school, one for indoor wear and one for outdoor. Our playground is a mix of sand, mud, snow and puddles right now so it is important that outdoor shoes are versatile! We will be insisting that shoes be changed. There are a number of students coming to school without indoor footwear and it is creating a great deal of sand and dirt inside. Students working in groups, and on floors in the classes are getting very dusty. Indoor sneakers must be worn in the gym for safety purposes as well. Thanks in advance for helping us put our best foot forward!!!!
