

**Hubbard Happenings
Wishing for Spring!**

April 2017

Parent/Teacher or Student Led Interviews

Interviews are coming up on Thursday, April 6th in the evening & Monday morning, April 10th. Please arrange a time to visit with your teachers, especially if they have indicated that they would like to meet you about concerns. Report cards will be sent home on Wednesday, April 5th. If your interviews are student-led and you would like to speak privately with the teacher, please let them know separately. See you then!

Dates and Information to Note:

Our *Hubbard Heritage Fair* celebration and showcase of Canadian and New Brunswick Heritage will take place on April 11th and details were sent home. Students should be finishing up their projects now and almost ready for the April 7th date to pass these in. We always look forward to the creative projects and will welcome many special guest judges to the fair. Thanks Mrs. Dunn and our team who work to make this a success. Parents are welcome to stop in to view the projects. Grade 5 will be judged in the morning and grade 4 in the afternoon. Remember that your child is expected to be involved in a project, but grade 3 is classroom based.

Music Festival is in the air and our mixed choir will be attending the festival on April 25th! See the calendar for details and thanks to Mrs. Hanson our music teacher, and Mrs. Edmondson who have helped prepare our students. If you would like to see your child perform at the festival, the cost is minimal. A hint, be there earlier than the performance time as the organizers will not let you in if you are late! It is at the Tom Morrison Theatre at FHS. Love to have your support!

In *PHYS ED News*, Mrs. Bourque has been busy with both floor hockey and basketball. Our basketball teams are hosting a tournament on April 22nd in the afternoon Go Hurricanes! Thanks Mrs. Bourque!

Thanks Hubbard for your support with our *fundraising* this term. Our Grant Harvey Event raised \$4000.00 plus bus costs. This money will be used to support our year end activities and awards as well as our auditorium upgrade. Thank you parents and thanks also to our parent group who have been so supportive!

Spring Bulbs & Seeds and our Magazine Campaign will begin on April 13th. This short campaign is planned to provide items that you might normally purchase elsewhere. If you are looking to read, or planning on growing this spring and summer consider making your purchases through our school as some of the proceeds will come back to us. The information will be sent home next week.

Wellness Survey coming home! Hubbard students of grades 4-5 are taking part in a provincial wellness survey, this information is used to help us make positive directions in wellness programs and practices. Please watch for it and the letter coming home for all parents who are asked to complete this anonymous survey!

Please be reminded that your child still requires **TWO** pairs of shoes for school, one for indoor wear and one for outdoor. Our playground is a mix of sand, mud, snow and puddles right now so it is important that outdoor shoes are versatile! We will be insisting that shoes be changed. There are a number of students coming to school without indoor footwear and it is creating a great deal of sand and dirt inside. Students working in groups, and on floors in the classes are getting very dusty. Indoor sneakers must be worn in the gym for safety purposes as well. Thanks in advance for helping us put our best foot forward!!!!
