

**Hubbard Happenings  
Wishing for Spring!**

**April 2018**

**Parent/Teacher or Student Led Interviews**

Interviews are coming up on Thursday, April 12th in the evening & Friday morning, April 13th . Please arrange a time to visit with your teachers, especially if they have indicated that they would like to meet you about concerns. Report cards will be sent home on Tuesday, April 10th. If your interviews are student-led and you would like to speak privately with the teacher, please let them know separately. See you then!

Dates and Information to Note:

ONLINE HOT LUNCH ORDERS ARE DUE ON WEDNESDAYS AT 11:59 PM

Our Hubbard Heritage Fair celebration and showcase of Canadian and New Brunswick Heritage will take place on April 18th and details were sent home. Students should be finishing up their projects now and almost ready for the April 13th date to pass these in. We always look forward to the creative projects and will welcome many special guest judges to the fair. Thanks Mrs. Dunn and our team who work to make this a success. Parents are welcome to stop in to view the projects. Grade 5 will be judged in the morning and grade 4 in the afternoon. Remember that your child is expected to be involved in a project, but grade 3 is classroom based.

Music is in the air and our choirs will be attending the Music Festival on April 23rd and the First Nations Choir on April 25th! Thanks to Mrs. Hanson & Mrs. Gardiner who have helped prepare our students. If you would like to see your child perform at the festival, the cost is minimal. A hint, be there earlier than the performance time as the organizers will not let you in if you are late! It is at the Tom Morrison Theatre at FHS. Love to have your support!

In PHYS ED News, Mrs. Bourque has been busy with badminton and basketball. Our basketball teams grade 5 are hosting a tournament on April 27th in the afternoon Go Hurricanes! Thanks Mrs. Bourque!

Thanks Hubbard Families for your support with our fundraising last month our Grant Harvey event. This money will be used to support our year end activities and awards as well as classroom resources for multiple styles of learning. Thanks also to our parent group who have been so supportive! Last month's surprise artwork was spectacular.

Our Spring Rise & Shine/Magazine Campaign begins on April 16th. This short campaign offers you items that you might normally purchase elsewhere. Please consider making your purchases through our school as proceeds will come back to us. We have another set of curtains to purchase for our stage and funds will continue to support class equipment, the arts and the year end celebrations.

PSSTWorld has been launched in our district. It is an online anonymous reporting tool for schools and districts. It is a district monitored line, designed to be a safety tip solution for valid concerns regarding safety for self and others.

REPORT IT NOW!

Nutrition Month! Was officially in March and we enjoyed nutritious veggie trays, a fantastic amount of exercise at the Grant Harvey centre and bottled water all provided by our Nutritional Wellness Grants. This week, students will enjoy healthy smoothies and a health presentation by our school nurses about healthy nutrition and choices! In the spring funding from our grants will allow classes to take a hike at the wetlands with a snack and water break.

April is Earth Month!! The environmental club at Hubbard is taking action! We have joined the Plastic Bag Recycle Challenge and the Cellphone Recycling Challenge. Plastics take hundreds of years to biodegrade. The Plastic Bag challenge, sponsored by Walmart, asks us to bring in as many plastic bags as possible and we could win \$1000 toward our environmental projects at Hubbard. Please help the environment and our school by sending in your old plastic shopping bags before April 25th. Our second electronic collection challenge asks us all to keep electronics out of the landfill! We are collecting old cellular devices such as cell phones, smartphones, wireless PDAs and pagers. We will also accept cell phone accessories, such as cell phone batteries, chargers, wireless aircards and headsethead-phones. Please drop off items in the marked box in the front lobby of the school. Everybody can do their part!
