

# June 2021 Hubbard Happenings

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<p><b>Be On the Lookout for Permission Forms and Notices for Upcoming Events this Month!</b> We want to ensure that we are making great efforts to end the school year with celebrations in a safe way that is in keeping with COVID safety guidelines. Events will take place in classroom bubbles, and will follow venue and bussing protocols. As per usual, we are unable to take students from school property on special trips without your permission, and cannot guarantee a call home to ask for last minute permission. <b>Please take the time to read the notices, complete forms and send in funds (subsidized by times by our parent group and fundraising), so your child does not miss out!</b> Note that ALL events are subject to change according to Public Health and plans to keep children COVID safe.</p>					<p>Thank You for Supporting <b>JUMP ROPE FOR HEART</b></p>

### Student Appreciation Days in New Brunswick!

June 9 and 10th, 2021, have been declared at all schools in the four Anglophone School Districts across New Brunswick as province-wide Student Appreciation Days. (2 days for blended High Schools). Few could possibly understand the impact that Covid-19 has had on students and in a year like no other, students have risen to the challenge and continued learning, growing, and doing great things. They have shown how resilient they are by wearing masks, being apart from friends, adapting to online learning, social distancing, missing out on extra-curricular activities, and so much more. We are waiting for stickers and posters that express provincial appreciation to our kiddos who have faced this historic challenge with us! Free Pizza, Activities and Prize Draws from Hubbard!

# Hello JUNE

With summer just around the corner, we are finishing up what has been a very busy school year! Thank you families for all of your help and support this year, we are very lucky to work together. Below you will find important information to keep you up to date as we close the year, understanding that we have made efforts to end the year with some fun within the current pandemic!

**Save the Date: Hubbard Recognition & Closing Ceremonies for Grade 5 Students** will take place on **June 22nd**. Each student will be allowed 1-2 guests (no more) registered for a short assembly that will be held with individual classes in the gym. We must adhere to COVID guidelines according to public health and we will honour social distancing and masking. To celebrate, we will hold a special 20-30 minute assembly to mark this elementary milestone. Our ceremony is dependent upon us remaining in the yellow phase according to public health or current cases in our zone. Please look for details coming home soon from the grade 5 staff regarding this and other events. In other grade 5 news, teachers have tentatively booked a town splash pad for a period of time, a trip to the movie theatre for a private showing, and a possible trip to the mini putt in Oromocto. Keep looking for details for these events that are being subsidized in cost by fundraising, parent group and Hubbard School. Again, we can only take part if we can ensure safe practices! Any Awards for Gr. 3 and 4 will be presented in classes in a virtual assembly.

**Our Grade 3 and 4 Classes will be holding Year-End Fun Days on and around our school property.** On June, 17th, the grade 4 team will be hosting a fun day (activities rotating in class bubble groups). This will include a BBQ where the whole school can place orders. A form will be sent home by the grade 4 team for orders to be placed. Grade 3 will enjoy a similar fun day with ice cream sundaes to enjoy on June 21st.

### From the PE Department: Congratulations to our May Athletes!

Grade 3 Lily & Owen  
Grade 4: Grace & Gavin  
Grade 5: Haylee & George  
**Track and Field** will be starting soon in intramurals and grade 5 will be getting ready for field events at the LeRoy Washburn field. Ms. S and Mme Muise will be sending home more information.

**Hubbard has found a Permanent Home!** At a recent District Education Council Meeting, it was motioned and approved to move Hubbard to Drummond Dr, permanently. While this does come with mixed feelings, it will be nice to be able to plan longer term. We realize it is the people within the walls that make the difference. Thank you, students, parents and staff for making that difference!

**We wish the best of luck to our families who are moving to new homes, cities, countries and even continents! Stay Safe & Healthy!**
