

we're moving!

THANK YOU For your patience and support over the last month. We knew living through a pandemic would give us challenge, and boy has the year 2021 kept on giving! In advance, please know that we continue to make the very best of the situation that we find ourselves in as we relocate ALL OF HUBBARD to our new learning space on Drummond Drive. Much work and preparation has been going on inside the facility, from technology, phone lines, painting and more. Biggest field trip ever....

Our Superintendent is preparing a briefing for you this week. Please see on the calendar that there are days planned for staff to pack up classes and all areas of our school, and planned days to unpack and set up our new classes/school. The weekend in between will see the moving company relocating our school contents.

In advance, please arrange for childcare for the pack and unpack days as indicated on the calendar. Over the next two weeks, you can expect details about transportation and student drop-off routines. Wish us luck!

Hubbard Happenings March 2021						
Sun	Mon	Tue	Wed	Thu	Fri	Sat

COVID 19 Update: With the return to **YELLOW** in our province, our students will be able to take part in classroom bubble activity without masking. In common areas, halls, washrooms, line ups and busses students will continue to wear a personal mask. Please ensure that clean masks, (no neck buffs please) are brought to school daily. An updated Operational Plan will be completed and posted to our school website as we move to our new location. Thanks for your support to continue to keep each other safe.
