

Notes and Reminders!

It is hard to imagine that we are heading into another term of **report cards** already and teachers are working hard to make gains in curriculum content and assessment. **Attendance** (outside of necessary isolation and sickness) is really important in order to make gains. We appreciate your cooperation in seeing that homework practice is completed and that we make the best of the last term together. **What a year it has been so far!**

COVID News: Our province will be moving to Level 1 and implications for schools are being developed. Further direction from our Superintendent is expected this week, so please keep an eye out for emails with expectations or changes. No doubt, many of us have lingering concerns around safety at school, masking and reporting COVID cases. Thank you for your diligence in following public health directions. Daily we have experienced reports of COVID cases and isolating students, so we ask that you continue to monitor health and keep children at home if they are sick to prevent further illness of others. Our school will begin to hold team assemblies and look forward to a gradual return to our activities as per health and safety guidelines. Our front door policy and limiting entrance will continue into March, as will our drop off bins for items. This has turned out to be a good way to limit class interruption and save time for both you and our office staff.

School Spirit: The Hurricanes have enjoyed learning about the Olympics, and have taken part in Olympic trivia and outdoor challenges. Our focus in our RESPECT program has been around both EMPATHY and EMPOWERMENT. Pink Shirt Day was a huge success as students learned about the origin of the day and discussed ways to be both empathetic and empowered to stand up for what is right to do for others. The world stage might benefit from this too these days!

Safety Concern from your PSSC:

Our PSSC committee has purchased a couple of safety icons for the vehicle drop off and pick up area. Please remember to follow the flow of traffic and keep your speed to a minimum in the area. If you must come to pick up your child early, please park in the far parking lot and walk to get them. We are increasingly aware of the need for safety in and around cars for students and want to keep our students safe!

Grade 5 will be receiving order forms for their HUBBARD HOODIES or SHIRTS when they return to school. Look for them soon! Field trips and outings will resume with necessary restrictions, but we look forward to opportunities to celebrate our Grade 5 Class of 2022!

Did you know?

This time last year we were making the transition to on line learning as we prepared to move from our former Hubbard 1.0 School to our new location. It has been a year we will never forget. Perhaps an anniversary celebration is in order!

Have a wonderful **March Break**, as we enjoy the liberties that many have not. See you on March 14th!

Hubbard Happenings March 2022

Sun	Mon	Tue	Wed	Thu	Fri	Sat
13 No Hot Lunch For Students this Week Grade 5 School Clothing order form comes home this week!	14 Listen to the announcements for updates on Hubbard Intramurals and keep your body moving!	15 Virtual Presentation Black History 	16 <u>Online hot lunch orders are due tonight before 11:59 pm</u>	17 Wear Green Today! 	18	19
