

# October 2018

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<b>NEWS FROM THE GYM:</b> Our Cross Country season so far is a huge success with a team of over 100 runners! We are waiting on information about a district Cross Country Meet and will send that to parents of students placing at our school meet. For any school event, don't forget to sign and return permission forms if your child is representing Hubbard. Don't forget everyone, that you need to have a pair of indoor and outdoor shoes for school, one pair is for gym! Soccer season is about to start at Hubbard! <b>GO HURRICANES!</b>					<b>28</b> Hot Lunch \$\$ Counters Welcome Terry Fox School walk at 10:30 am October 3 raindate	<b>29</b>

<b>28</b>	<b>29</b>	<b>30</b> Hot Lunch	<b>31</b> Hot Lunch Happy Halloween!  			

## Notes, News and Reminders...

**Thank You!** For your contributions so far to the Terry Fox Walk. Our students walked on Friday to show our support for this worthwhile national event. Donations are being accepted until mid week and our #TERRYFOXWALK sneakers are lining the halls!

**Orange Shirt Day** was a great success with our guest drummers from the Middle School and speakers from Hubbard's First Nation students who spread the significance of this recognition day to our school and visitors. Well done Hubbard!

**Safe School's Week 2018** Every year schools across the province engage students in safety protocols for fire drills and secure the building exercises. We rehearse and learn about bus and school evacuations, and although these events can heighten concern, it compares little to the concern of not knowing what to do in the event of a real situation. Our team of teachers and support staff work hard to make students comfortable with practice so we will know how to respond if needed.

Thanks again to **Omista Credit Union** for their kind sponsorship of our breakfast program! A special shout out to Lorraine and Dawn, Omista employees who volunteer! If you can assist us please let us know. We are in need of volunteers for Tuesday, Thursday and Friday mornings still. Let us know if you can spare an hour from 7:40ish to 8:30!

**E-Mail and Communication** Our attempt is to have communication not requiring a signature to go home by **E-Distribution**. Check your email to make sure that you are getting information from your child's teacher. If you do not have an electronic device or computer to receive notices and information, or if you prefer a hard copy, let your child's teacher know, and they will be sent home. Any information that does not require signature will be sent home electronically. Let's save on paper and the environment.

**Career Fair 2018** Our Career Fair is taking place on November 13th and we are seeking volunteers to spend the afternoon with us to share your career/job/profession with students. It is a great opportunity to expose students to a number of future options. Please contact Mme Muise at 357 4199 or at brandi.muise@nbed.nb.ca

**Fall Sales Campaign 2018** will be sent home on October 2nd. Please support our school in any small or big way! Monies from this campaign will be used to help fund programs and materials to support your child's learning environment. This includes the purchase of class and school technology, materials and equipment, costs associated with some enrichment clusters and special events, and for our auditorium improvement project. We attempt to subsidize costs to you whenever possible through the funds raised. Raise \$7000.00 & Mrs. Loker-French moves her office to the roof!!!

**Halloween Fun Night** is October 25th, at 6:00. Notices will be sent home in the near future to arrange for your support in making this a terrific **FUN**draiser for our school and to describe the event for those of you who are new. Thanks to Karen Carvell for her kind gift of time in setting up the popular Haunted House. The parent group is busy working to make this a great success. Help is needed so please come to the Parent Group Meeting to get involved! Thank you Shelley Mason and her committee for your initiative toward this popular event.

Our **Enrichment Clusters** will begin this month. Enrichment clusters offer an opportunity for students to select an area of interest to explore with a smaller group of students. We try to appeal to all learning styles! Please make sure the selection sheet is sent to the school so your child can be placed in a cluster of choice. Some clusters have a small fee to help defer costs.
