

## 5-Week Hands-on Science Program

**Under Pressure** – Join Bernoulli and Newton as we take this exciting look at the science behind aerodynamics and the properties of air...under pressure! Take home an air-blaster ☺

**Chemistry** – Don't be scared of our messy madness. Explore physical vs chemical reactions. Make a super polymer bouncy ball to take home.

**Fantastic Fliers** – The Wright brothers would have been proud as we follow in their footsteps and learn the fundamental principles of flight. Build your own stunt plane to take home!

**Super Structures** – Discover the strength of triangles, cylinders and arches. Learn how a combination of these shapes make for sturdy homes and skyscrapers and then use teamwork to build your own structures!

**Science of Magic** – Magic?... No, it's science! You'll learn the secrets behind famous magic tricks that you can recreate yourself. Make a magic cube to take home and trick your family and friends!
