

Hubbard Happenings May 2018

Thank You to those families who contributed to our last campaign. Because of your efforts Hubbard School will be able to donate a number of chickens to a developing global community. What a great partnership with QSP. Our grand total is not yet tallied, but we sure appreciate your support!

End of Year Field Trip! Our classes will be travelling to the **Bucket Club at Hart Island on June 14th for our end of year celebration.** Save the date! Our grade level teams have been fundraising through our canteen and special events in order to deter some costs. The parent group will pay for the busses! Watch for details.

DON'T MISS OUT ON THE NEWS

What a Busy Month we just had at Hubbard! A terrific **Heritage Fair** was held at our school last month. Thank you parents for your support and modeling of how to do a great project. It was wonderful to see the diversity in our heritage. Good luck to our gr. 5 participants moving on to regionals this month. We are anxious to hear the results.

The Music Festival was a big hit for Hubbard too. Thanks Mrs. Hanson and Mrs. Gardiner for supporting our music interests! Our choirs were outstanding and took home first place in our Categories. Our First Nation performers took overall first place! Thanks Mr. Foley and Mrs. Thurber. **From the PE Department: Basketball** season continues for our Hurricanes! This month our gym focus is track and field and volleyball. On nice days classes are often held outside. Students should have sunscreen and must have proper footwear for running. **Flip flops are not allowed due to safety reasons.**

Safety First! Our supervision begins in the morning outside at 8:00. Students are sometimes being dropped off unsupervised as early as 7:30! Unless your bus comes in early, **DO NOT DROP STUDENTS OFF EXPECTING THAT THERE IS MORNING CHILDCARE.** We can certainly manage a few minutes from time to time but at this time staff are not in place either. We appreciate your understanding in securing childcare for your children in the morning as we would hate to see a student unsupervised and something happen.
