

Hubbard Happenings May 2019

End of Year Field Trip! Save the Date!

Our classes will be travelling to the Bucket Club at Hart Island on June 19th for our end of year celebration together. Our grade level teams have been fundraising through our canteen and special events in order to deter some costs. The parent group will pay for the busses! Watch for details on costs and please ensure that you sign the permission form when it comes home, so students don't miss out!

CATCH UP ON THE NEWS!

What a Busy Month we just had at Hubbard! May looks equally as full!

A terrific **Heritage Fair** was held at our school last month. Thank you parents for your support and modelling of how to do a great project. It was wonderful to see the diversity in our heritage. Good luck to our gr. 5 participants moving on to regionals this month. We are anxious to hear the results.

Our **Fine Arts** programs supporting both **Drama and Music Festival** fetched not only great experiences but several awards for our groups. Well done everyone!

From the PE Department! Basketball season continues for our Hurricanes! We have had three tournaments scheduled this season. Good work team and Mrs. Bouque. This month our gym focus is track and field so on nice days classes are often held outside. Students should have sunscreen and must have proper footwear for running. **Flip flops are not allowed due to safety reasons.**

Safety First! Our supervision begins in the morning outside at 8:00. Students are sometimes being dropped off unsupervised as early as 7:30! Unless your bus comes in early, **do not drop your child off expecting morning childcare or supervision** We can certainly manage a few minutes from time to time but at this time staff are not in place either. We appreciate your understanding in securing childcare for your children in the morning as we would hate to see a student unsupervised and something happen.

The **Plastic Bag Challenge** at Hubbard has been a good success. Thank you for your collection of 9429 bags. We wait to hear how we made out. Regardless, our earth is better for having collected the plastics!

Save the dates!

June 18: Award ceremony day. Gr. 3 & 4 AM Gr. 5 PM

June 19: School year end trip to Hartt Island Bucket Club

June 20: Family Picnic Day on our grounds
Grade 5 visits to their new middle schools will be taking place soon. Sign those permission forms!
