

**Important School Reminder!** Please remember that our **supervision for students arriving by car begins at 8:00 am.** There are several students being dropped off as early as 7:40! Staff have assigned duties in the morning to allow for proper supervision of your children. Please respect this time for drop off and keep your child with you until 8:00 or make alternate arrangements for your morning. We have begun an 8:00 outdoor morning start on the playground, so all students will meet outside at that time only. Thanks for your help!

## Hubbard Happenings May 2022

**Save the Date!** Our Grade 5 Closing Celebration is being planned for the afternoon of June 21st. We are looking at safe options for this special time for students, as we celebrate the milestone that it is to have your child finish their elementary years. Your child's teacher will keep you posted! Other school year-end celebrations are being discussed this month as well. Our whole school year-end trip to the Bucket Club is set for June 22nd. Stay tuned!

## CATCH UP ON THE NEWS!

**What BUSY last months we have ahead at Hubbard! Let's make them Count Students!**

**Provincial Assessments at Hubbard:** Grade 4 and 5 Provincial Assessments take place **May 4th-20th.** Please make sure your child gets lots of rest and comes prepared to show what they know! Attendance is very important as making up the time is a challenge. Assessments are done this year on lap tops. We are purchasing a special fruit tray and healthy snacks to start some of our testing days. If you would like to send in a healthy snack to add to our super brain power, please touch base with your child's teacher. Good Luck Students!

**Gym News:** This month classes will be involved in a fun Dancing and Movement Unit followed by Volleyball. Students need to have sneakers for gym classes. Flip flops and sandals are not permitted for safety reasons. We will go outside for some activities, sunscreen is a good idea too. We have had fabulous intramural fun during noon competitions this month!

**Track and Field** will start in late May, listen for announcements on this!

### Grants & Support at Hubbard:

**Omista Credit Union** in Oromocto is selling tickets on a framed print in support of Hubbard. Omista has been a long-time supporter of our school with funds and volunteering. Stop by the branch if you can! Thanks Omista!  
**Environment Grant** funding of \$2000 has been awarded to teachers at our school. Congratulations! If you have an interest in gardening, please contact us. We will need some help with our raised beds and preparing beds for planting. We will be happy to pass your name along to Mme Beyea, Mme Blaney or Mrs. Dunn. We can sure use some help!

**Music Grant** funding has been awarded to Mr. Foley, \$5000.00 in support of music in our First Nation programme will be most appreciated. Way to go teachers!

**Once a Hurricane, Always a Hurricane...** After 33 years in Education, I have decided to retire from a school and learning community that I love. Over 16 000 report cards later, 12 045 days of school, countless hand holding, band-aid placing and loads of encouraging... Mother Hubbard will miss this and you all.

*Beu Loker-French, Principal*
