

November 2017

Hubbard Happenings

November is a very busy month for student and teacher learning at Hubbard! Please see the important dates on the calendar...

There is **NO SCHOOL** for students on:

Nov. 10 (Professional Learning)

Nov. 13 (Stat Holiday for Remembrance Day)

24 (AM Parent Interviews/PM Professional Learning).

Report Cards and Keeping you Informed! Report cards are being sent home on Nov. 21st. Look for them in the book bag. Our interviews are on the evening of Nov. 23rd and during the morning of Nov. 24th. For this reporting period, we need to meet with each of you so please make arrangements with your child's teacher for an interview time. Your teachers will be sending a notice home shortly. Look for it!

Book Fair 2017: is taking place during the week of Nov. 20-Nov. 24th. A great way to start Christmas shopping! Watch for details-if you want to help us, please call.

THANK YOU! For your support of our Halloween Fun Night. We raised approximately \$2500.00, with a few costs yet to cover. We are waiting on the final totals from our recent sales campaign. Again, this will go toward the auditorium upgrade and to activities to support our students. Well done everyone! Our parent group is subsidizing many bus trips this year, thank you.

Christmas Concert Date: Tuesday, December 19th is our concert date, with a storm date of Wednesday December 20th. There will be a morning shown and a afternoon show at 9:30 and 1:15 respectively. Save the date!

In the Gym: Badminton begins at Hubbard this month and Soccer Intramurals are continuing. What a great crew of athletes we have.

Remembrance Day: Our assembly is at 11:00.

If your child is in Cadets, Brownies, Scouts etc., please feel free to send them in with their uniform for the assembly. Our choir will perform as well. Parents are welcomed and we love to have our military members join us too.

Have a fantastic November Everyone!

Skate and Helmet donations are being accepted at any time in preparation for skating! We are happy to accept new or gently used equipment to promote this healthy activity. Skates sizes 3-5 boys and helmets would be helpful. Remember we must have CSA approved helmets. At Hubbard, all students are expected to take part in this fun physical education program and will need to go to the rink with classes for supervision-skating or not.
