27	28	1 Hot Lunch	2	3 Hot Lunch	4 PJ Day!	5 March Break Next Week

Welcome Back Everyone!

Thank you for all of your assistance during our at home learning period. A shout out to our students and teachers who made the best of a situation WAY out of our control. Hurricanes, YOU ROCK!

We understand that there is a great deal of anxiousness with our return to school. The key to maintaining as safe a learning environment as possible is for students and our staff to be prepared. This includes vaccinations and the wearing of proper personal protective gear.

Students Need:

- ◆ Daily clean tight fitting face masks (several are using KN95) While cloth masks help, they do not fit tightly to one's face and put both children and others at risk. We do not have a large supply of masks for students so please make sure your child is prepared.
- ◆ Daily sanitizing and proper hand washing.
- ◆ A personal water bottle. We have a limited supply of Hubbard bottles here that can be purchased for \$5.00. Please send students with a bottle.

What if my child or someone in our house gets COVID?

Directions have been, and will continue to be sent home via email or you can keep up to date using the GNB Covid Site. If your child tests positive:

- ◆ Inform the school with the date of the positive test.
- ◆ One vaccination a student must isolate for 10 days, 2 vaccinations a student must isolate for 5. Return after the full isolation, no fever and symptoms.
- ◆ If a person in your house has a positive Covid test, all members of the family must isolate for the time expected, and continue to test.
- ◆ Do not send students to school with even one symptom of Covid.

If your child is absent from school please call into the school office at: 357-4199, and if you have planned an absence for your child for a period of time due to Covid or by your choice, please let your child's teacher know.

Keep an eye out for future communication from school with details of School Processes related to COVID 19.

THANK YOU for your support of our Christmas gift card/raffle baskets sponsored by your Hubbard Parent Group. We raised \$1406.51 after expenses and appreciated the donations that were received. We recently purchased 28 new laptops for our school with some of our fundraised monies. Thanks!

In the spirit of giving, Hubbard donated almost 900 non-perishable items to the Oromocto Food Bank and presented a cheque for \$350.00 to go toward the purchase of turkeys. **Thanks Again!**

You will notice that our Hot Lunch program has been suspended for an additional two weeks this month. This decision is based on the availability of volunteers and the potential anticipated rate of infection in schools. We will err on the side of caution and resume this service as soon as we feel it is safer for volunteers and distribution on a regular basis. We are holding a Free Fruit Cup Friday for students at recess on Feb. 4!
