

HAPPY NEW YEAR

Mark your Calendars! January is Busy!

- Thanks for all of your support this past year to help the food bank and needy families. Your support of our Christmas concert saw around 650 people pass through the doors and over \$1200.00 dollars in raffle ticket sales by the parent group. We also gave \$260.00 to the Oromocto Food Bank to support the community and donated 6 FULL boxes of food. No wonder the Hurricanes Rock!
- We have been the lucky recipient of a partnership grant from Rinehart Orthodontics who will support the purchase of signage, and school shirts for students as they act as representatives of Hubbard in various events. Thank you Dr. Rinehart!
- January 27th is National ABC Literacy Day. In celebration we will hold our Annual Read-In, expressing our commitment to literacy and learning. If you are interested in being a guest reader on the morning of January 29th please contact us as soon as possible. We would love to have you be a part of our reading family.
- Enrichment Clusters begin in February again. If you have a talent or interest to share with a small group of students, consider leading a cluster on Fridays. We are specifically looking for an adult to give an hour on Friday mornings for 4 weeks to teach basic keyboarding to students. Call us if you could help out!
- **SAFETY CONCERN:** Parents have been dropping students off at the front door, using the laneway and in some cases driving on the front path by the school. Please remember that the bus zone is to be kept clear and parents and drivers are not permitted to be beyond this point. In this weather or at any time, it creates an opportunity for accidents to occur. Likewise at the end of the building, please watch out for students as they are dropped off in the morning or exiting the school. Please SLOW DOWN and use the double lanes at the end of the ramp for delivering children. We want to help keep your child safe from injury and create a flow of traffic that supports safety.
- **Brrrr!** It is cold out there! Please send your child to school with proper clothing for the Canadian winter! Many children are coming to school without the proper gear for outdoor play which will happen daily. Students will not be retained indoors due to weather unless the temperature drops below -20. Be prepared! Thank you.

Hubbard Happenings January 2016

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<p>Helmets & Skated Needed! Our SKATING program is in full swing at King's Arrow Arena. The ice time is kindly provided by the town and the bussing is made possible by our school. We are in need of HELMETS & SKATES in good shape to loan on an as need basis. If you have any up to date, <u>CSA approved skating helmet</u>, we would gladly accept equipment in good repair. We make every attempt to see students involved in the program. Thank you to families who have made donations and to the PSSC committee for purchasing new helmets as well. Also, be aware that students not skating may for supervisory purposes, need to go to the rink with the classes in order to be supervised as they cannot be left at school. <u>So on skating days, make sure your child is dressed warmly whether they are skating or not!</u> Please keep an eye on the notices coming home and have your child prepared to skate, calling home for equipment is time consuming and we cannot guarantee time to do so!</p>						
<p>3 Hat & Mittens, Warm clothes and winter gear please!!</p> 	<p>4 Professional Learning Day for Teachers</p>	<p>5 Welcome Back!</p> <p>Skating 9:15 Dunn/Skead/Brophy/ Hallman 10:15 Currie/Good/McCabe/Miller</p>	<p>6 Reminder! Please be sure to read your letter about Chicken Pox that was sent home. We have had confirmed cases.</p>	<p>7</p>	<p>8 Hot Lunch forms due & counters are needed.
