

**Hubbard Happenings
Be Informed!**

THANK YOU!!! To our parents and school community for the support we received during our recent fundraising campaign. We have raised \$2786.00 to support programs and school materials. Your products should be here within the next three weeks. We have earned a PJ Day at Hubbard. See the calendar. Well Done!

Speaking of well done, a special thanks to **Karen Carvell (Haunted House) and our Hubbard Parent Group** with their host of helpers including parents, staff and friends of Hubbard who made our Halloween Fun Night a huge success! The parent group has raised about \$2400.00 to support programs at our school. The parent group subsidizes many events at Hubbard including bus travel for events. This was a terrific Halloween Fun Night!

IMPORTANT WEATHER and CLOSURE INFORMATION is in your child's agenda. Our closure zone is **ZONE 7**. Please be aware that closures are posted on the district website, and are announced on many radio stations. It is important that all of your contact numbers are up to date so that you can be reached in the event of a school closure. With this cold weather, **please make sure that your child is dressed appropriately for outdoor play.** They need boots, hats, mittens and snow gear!

FROM THE PHYS. ED. DEPARTMENT! November is badminton season at Hubbard. We celebrated a very successful Cross Country and soccer season as Hurricanes., with top spots in 5/6 races. Practice paid off! Intramural soccer continues, as we head to play offs!

REPORT CARDS are being sent home this month and **Parent Teacher Interviews** are scheduled for **Nov. 19th in the evening from 6:00-7:30 and on Friday, Nov. 20th (no school) from 9:00-12:00 in the morning.** Please book an appointment with your child's teacher. We want to see all parents this reporting period especially to celebrate growth and to set goals together. **We thank you for all of your support and look forward to meeting with you.**

HELPING HANDS AT HUBBARD! We try hard to instill the importance of helping others in need both locally and globally. Currently we are collecting small donations for the **Legion Poppy Campaign.** Students can make a donation all this and next week. Upcoming events include a sock-hop to support the Turkey Drive for Christmas and the collection of non-perishable items for the Food Bank. We hope we can count on your help to raise money for turkeys and gather food for the local food bank. Help us to teach the importance of helping one another and being empathetic!

SKATING will begin soon and yearly dates are to be sent to us shortly. All students are to participate as a part of our regular programming. We do have a small selection of skates and helmets to share, and donations are being accepted! A great gift idea for this year!
