**Don't Miss out on December News!**

# Hubbard Happenings December 2015

**Thank you** for your attendance at last month's parent/teacher interviews this term. We have appreciated meeting you and the feedback we have received. We truly want to work together at Hubbard!

**Hubbard Christmas Concert:** Students are preparing for our upcoming performance, with a magical snow theme this year. A reminder that we will hold two concerts on **December 15th** (storm date of December 17th). See the calendar for times and find many notices on this calendar related to our December activities. Great prize baskets are being raffled off that include gifts, certificates, and more! Our popular Front Row seat raffle is also being sent home soon. All proceeds go toward enriching opportunities for students this year.

**Santa's Workshop Opportunity!** Our parent group is once again organizing the chance for your child to purchase a tree ornament for a family member or friend. These were very popular last year and are being sold for only a dollar. See the calendar for details on the dates the workshop will be open for business!

**Skating!** Our skating dates have been arranged and permission forms have been sent home. Please see that your child is permitted to attend. Get your gear together to be ready for this program that we consider an extension of our Physical Education program! Although we have a small assortment of helmets and skates to borrow, **new gear for Christmas might be a great gift idea!!** Remember that all helmets must be CSA approved skating helmets.

**Grinch Day** is on Dec. 16th. Students will hear a story telling of the long-standing story by Janice Shaw, guest speaker, and a short Grinch production by our Enrichment Cluster drama group. Parents are welcomed. Students are asked to dress in Grinchy Green. We will present our food gifts to the Oromocto Food Bank on this day. Thank you in advance for your help in continuing to send food items in. A Grinchy treat for students will be prepared for us!

**BRRRR...** It is cold outside. Please make sure that your children come to school dressed appropriately for the weather. Students spend recess times outside, and we have had several students coming without boots, hats, and mittens. If anyone has extra mittens to spare, we would be happy to use them at school!

*Thanks Everyone and Happy Holidays!*
