

Changes in Directives for Early Learning and Childcare Facilities and Schools

January 17, 2021

ALERT LEVEL: RED

The following details the changes in directives that will take place in a school or early learning and childcare facility in a region of the province that has been placed in Red Level. This document supplements the [Return to school: Direction for school districts and schools](#) as well as the [COVID-19 Guidance for Early Learning and Childcare Facilities](#).

Travel to a Red Level Zone

All travel between a Yellow Level or an Orange Level zone and a Red Level zone will be limited in accordance with the Mandatory Order. Individuals who live or have travelled to a Red Level zone must follow government guidelines which can be found on the [Government of New Brunswick's web site](#).

Staff rooms

The use of commonly used rooms by personnel in schools and early learning and childcare facilities, such as lunch or break rooms, is prohibited.

Early Learning and Childcare Facilities

Early learning and childcare facilities located in a Red Level zone are permitted to continue to operate. Parents, who do not usually access licensed childcare for their school-age children, may enrol them in childcare to permit continued employment.

Only early learning and childcare facility staff, children, and personnel deemed essential, such as representatives from Public Health, WorkSafe NB or the Department of Education and Early Childhood Development are permitted to enter an early learning and childcare facility in a Red Level.

Groupings of Children

- Changes to groupings of children are not permitted in a Red Level.
- New registrations and enrollments are permitted in a Red Level. Where possible, and if numbers support them, new groupings are recommended for new enrolled children.

Screening

- Active screening will be done before entering an early learning and childcare facility. This applies to early learning and childcare facility staff, children, and all other personnel deemed essential such as representatives from Public Health, WorkSafe NB or the Department of Education and Early Childhood Development.
- Temperature checks will be done twice a day, upon arrival and again at mid day.

ALERT LEVEL: RED

Mask Use

- Children under 5 years of age in early learning and childcare facilities are not required to wear a community mask within their group. However, children over the age of two years old are required to wear a community mask in common areas such as corridors and bathrooms. Children must be supervised depending on the child's ability to tolerate the mask, as well as, when putting on and taking off the mask.
- School-age children (4-12) in early learning and childcare facilities are required to wear a mask at all times, including outside. Exceptions will be when they are eating.
- All employees of early learning and childcare facilities are required to wear a mask at all times, including outside. Exceptions will be when they are eating or sitting alone in a closed office or room.
- School-age children and early learning and childcare facility employees are expected to bring two clean community masks with them each day.

Transportation and Field Trips

- Early learning and childcare facilities located in a Red Level zone are permitted to continue to provide transportation to and from school. All passengers, including the driver, are required to wear a mask, even when sitting alone or with a member of the same household.
- All field trips must be cancelled.

Public Schools

Public schools will remain open during a red alert zone. In the event that a parent chooses not to send their child to school, the parent is responsible for their child's education. Teachers are not required to support learning but support to the families will be encouraged and appreciated.

Screening

- There will be active screening prior to entry into the school building for all school personnel.
- Parents must screen their children EVERY DAY before sending them to school and must keep them home if they have ONE symptom or more.
- Students and school personnel are not permitted inside the school building if they have ONE symptom or more.

ALERT LEVEL: RED

Mask use

- Students in Grades K-12 are required to wear a mask on a school bus, even when sitting alone or with a member of the same household.
- Students in Grades K-8 are required to wear a mask at all times at school, including outside. Exceptions are when students are sitting at a desk working silently or eating. Students will be required to wear a mask during physical education class.
- Students in Grades 9-12 are required to wear a mask at all times at school, including outside. Exceptions are when students are eating. Students will be required to wear a mask during physical education class.
- School personnel are required to wear a mask at all times at school, including outside. Exceptions are when they are eating or sitting alone in their closed office or classroom.

Positive Case

- If there is a confirmed case in a school, the school will be closed to students for 3 consecutive days, including weekends, to allow for contact tracing.
- Students will not be permitted to attend an early learning and childcare facility during these 3 days.
- During these three days, teachers will have to support students' learning at home by various means (online teaching, materials, contact by various means, etc.).
- All school personnel will be offered COVID-19 testing.

Extra-curricular activities

After-school clubs and sports are cancelled.

Music Education and Activities

The use of wind instruments and singing are not permitted in a Red Alert Level. Extra-curricular music activities, such as SISTEMA, theatre, choir and band, are not permitted.

Physical Education and Sports Activities

- Only activities that are conducive to physical distancing, such as yoga, dancing and moderate walking, are permitted in high school. Masks must always be worn.
