REMEMBRANCE DAY CEREMONY

*By Kristina Lajoie and
Christopher Clark*

On November 10 JCS took a moment to say thank you and remember those who have served our country.

The Grand Falls Cadets lead the Veterans in and after the Elementary Choir sang a beautiful rendition of "O Canada". Guest Speaker Greg Fekner gave a speech that will be remembered

as he spoke as a soldier serving in the field.

One of the spectators stated that she was impressed by the student's respect towards the cadets and the elders that were present.

MIDDLE SCHOOL BAND PROGRESS

By Christopher Clark

The middle school band is learning band interments during class time. So far they are learning how to play the flute, clarinet, trumpet, trombone, baritone, electric base and the drums.

"Their progress is doing really well," exclaimed Ms. Toner.

When second semester rolls in, they will lose

their music class but on Wednesdays at noon, there will be music rehearsal if they would like

continue. Hopefully in the future, the band would play at the assembly.

ANOTHER SUCESSFUL BOOK FAIR

Lots of people showed up

by Christopher Clark

As a school, we have reached our goal of reaching \$3,800. In total, the school raised \$3,916.35, and since we have reached it our school is receiving 60% of their books back. Also because of this, \$2,200 came back to our school profits.

“Thank you everyone who participated. I would like to thank Mrs. Tracey’s cooking class and her art

class for helping with our snacks and our posters. I would also like to thank Pam Michaud and Monique Cote, Olivia McCarthy, Andrew Watson, Chris Graham, and Brianna Smicer for all of

their hard work and decitation.” said Mrs. Longstaff

In addition a big thanks you to all students and parents for your support. Without you the book fair would not have been a success.

2015 CHRISTMAS BAZAAR

As a school we are happy to announce our first Bazaar at our school. This will be taking place here at John Caldwell School from 9am to 4pm on December 12.

So far we have over 50 venders that will sell anything from crafts, baked goods, candles, jewelry, maple products and more! This is in support of our student consul and our leadership program.

Also we are going to have a draw for two Christmas baskets and those are in support for our playground. The prices of the tickets are 1 ticket = 2\$ or 3 tickets = 5\$.

We are hoping a lot of people from the community to come to this wonderful event. On top of all of this, John Caldwell School will be taking part of the Christmas parade!

Christmas Concert

On December 9th, we will be having our Christmas concert about a different version on the 12 days of Christmas countdown. The K-5 students will be on stage at 12:30 to entertain parents who would like to join. This is estimated to be an hour long production, so we plan for everyone to stay. There will be 2 energetic MC’s and one hilarious elf.

Reviews on No-Cell Phone Rule

“I think it’s a good thing that there’s a no cell phone rule because more people are going to pay attention in class and there’s going to be less bullying going on.” Kristina Lajoie.

“I think that something needed to be done because they don’t have self-control. It was needed.” Mrs. Tracey.
