PINK T-SHIRT DAY

Encourages everyone to wear pink

by Christopher Clark

Thanks to our school, everyone on February 24th is encouraged to wear pink for the support of the anti-bullying day. The school council has planned some activities for this day. They will be announced shortly before

February 24th.

The reason there is a pink t-shirt day is due to bullying within the schools. Victims sometimes feel there is no one there to help them. This event shows people across Canada that we are not going to stand

for this behaviour any longer and will not remain silent.

Together we will stand up and lend a hand to put an end to bullying. Everyone is encouraged to wear a pink shirt to show support and that no one is alone.

THE VALENTINES DANCE

by Kristina Lajoie

Want to tell your crush you like them? What a better way then to invite them to go to the valentines dance with you! The

cost of the dance is \$5 to enter or \$4 if you bring a canned food item. Kids from other schools can also join; all you have to do is invite them.

The dance is going to be on February 11th, for grades 6 to 12. For grades 6-8 it will be 6:45 to 8:45, and from grades 9-12 it will be 9:00-11:00.

High School Report Cards go home

Have you been doing well? The high school report cards are coming out on February 8th, showing the marks of semester 1. These marks will go on your overall marks in June. Because of this, we wish you good luck on semester 2!

COOKIE SALE

An entire school event for our playground

by Christopher Clark

On February 23rd, JCS will be selling delicious gingerbread and sugar cookies during the morning break. The prices of these cookies are fifty cents per cookie. For middle and

high school they are being sold at Mrs. Tracey's room. The elementary kids can buy their cookies just outside the cafeteria. The money collected will go towards the money for our playground fundraiser.

OUR JCS CURLING CLUB WON THE BONSPIEL

by Christopher Clark

The John Caldwell School Curling Club has won the bonspiel this last January. Our team has won the under eighteen division.

They were in Fredericton at the Capital Winter Club from the 15th thru 17th. After the first round, there was a three way tie and the teams had to get the rock as close to the center of the circle.

With great skill our team won and the trophy will be held at the Grand Falls Curling Club for the year.

UPDATE ON OUR PLAYGROUND FUNDRAISER

by Christopher Clark

So far half of the year is over, and our playground fundraiser is still going on. We are having many fundraisers coming up, such like

the one we had earlier in January with the bottle drive. The bottle drive raise \$450 to help carry on the future of our playground. Coming up on February

23rd we are having a cookie sale to also help with the playground. Later on around Easter there will be another bottle drive - date to be announced.
