MOTTO
“To Be Rather Than To Seem”
John Caldwell School Vision

To foster a community that encourages our youth to dream, believe and achieve within a 21st century world.

John Caldwell School Beliefs

- We believe education is the shared responsibility of students, parents, school staff, and community members.
- We believe that teaching is a shared process in which educators must possess the desire to grow professionally to meet the student’s needs.
- We believe in enhancing student learning by providing opportunities for exploration through the arts, literacy, numeracy, and technology as well as extra – curricular activities.
- We believe in preparing our students to contribute positively to society.
- We believe in providing a positive learning environment where all students can experience success.
- We believe in the value of two official languages and community diversity.
- We believe in providing a safe, respectful and supportive environment in which all will be valued citizens.

Standard of Conduct for Students

All students have a right to learn in a productive environment, and have a right to come to school and feel safe. Students are expected to conduct themselves properly at all times at school, on the bus, and during school activities away from school, as outlined in:

- Policy 703 (Positive Learning Environment and in the New Brunswick Education Act)
- The John Caldwell School Knights Code

As a student, I am responsible for my own behavior to the best of my abilities. I will be responsible for my own personal choices.

I will respect others’ differences, ideas and opinions and treat everyone fairly.

I will not tolerate bullying of any kind and I will report bullying when I have knowledge of it. I will do whatever I can to help those around me who may be struggling.

I will respect the school’s rules.

I will attend my classes, do my homework, and be prepared and on time.

I will behave in a way that is empathetic, responsible and civil to those around me.

I will resolve my conflicts in a constructive manner.

I will treat school property and the property of others with respect.

I will respect myself. I will respect others. I will respect my environment.

I will speak French in my FSL classes. There is zero tolerance for English.

I will follow the Knights Code
The Knights Code

Golden Knights are kind, noble and inspire others to succeed. Golden Knights are generous, honest and work together as a team to be supportive of our collective and individual efforts to reach our full potential.

**KIND**

Being kind at John Caldwell School involves showing a gentle nature towards each other and our environment. It means that Golden Knights are considerate, compassionate and purposefully bringing happiness into the school community. Kind Knights go out of their way to show kindness by being thoughtful, respectful and polite. We do this by doing simple acts to improve each other’s day.

**NOBLE**

Being noble at John Caldwell School involves preserving the integrity of the school community and choosing to do the right thing even when no one is watching. Students who are noble show this through charity, courage and loyalty. As noble Knights we set high expectations for ourselves, take responsibility for our own actions and are role models for others.

**INSPIRING**

Being inspiring at John Caldwell School means that we are committed to being our best self regardless of what difficulties we face. We consistently choose to do our best work and live by the Knights Code. We celebrate each other’s strengths and successes. Golden Knights are optimistic and encourage others to be the best they can be.

**GENEROUS**

Being generous at John Caldwell School is sharing your time, being helpful and always including others in work and play. Generous Knights go above what is expected because it is the right thing to do, not for reward. Generosity happens inside the school, at home and in the community.

**HONEST**

Being honest at John Caldwell School means that we tell the truth at all times. We are trustworthy and responsible for our actions, words and ideas. Golden Knights respect others, their feelings and their property.

**TEAM**

Being part of the John Caldwell School team is like being part of a big family. As a team each person has an important role to play. Golden Knights work together towards common goals, encouraging and supporting each other in order to reach our full potential.

**SUPPORTIVE**

Being supportive at John Caldwell School means that we accept everyone. We can show that we are supportive by trying to understand the needs of others through listening, caring, sharing, helping and respecting differences. Supportive Knights encourage others to dream, to achieve and to believe.

School Spirit Award

Each year teachers nominate a grade 12 student who has made an outstanding contribution to JCS. Teachers vote based on the following criteria; leadership, positive role model, attitude, participation, and academic success.

Valedictorian and Salutatorian

A selection committee composed of an administrator, teachers and graduating students will select the Graduation Salutatorian and Valedictorian. The Principal will select the staff members of the committee; the students will be selected by the teacher / Grad Committee.

The selection of the Valedictorian and Salutatorian will be based on the following guideline criteria:

- High academic standing: students having the top five general averages in grades 11 and 12 will be considered first; candidates will have failed no course in high school;
- Exemplify the serious and scholarly student;
- Recognized by the committee as the most worthy representatives of the graduates;
- The committee’s ranking of the candidates will be unanimous.
- Should a selected candidate refuse to act as Salutatorian or Valedictorian, the next-ranked candidate will be asked.
