

**Keswick Valley Memorial School**  
Grade 3-5 School Supplies List 2020-2021

On the back of the page, you will find the list of supplies that your child will need for next year. This is a general list, there may be some additional items requested by the homeroom teacher at the beginning of the school year.

All books, tools and clothing should be clearly marked as belonging to your child. It is a good idea to keep a back-up set of some supplies at home for project work. We encourage our students to reuse their supplies from past years if they are in good condition.

We encourage you to look around a little before you begin your shopping, as many stores (such as Staples and Wal-Mart – they will price match flyers!) have incredibly low prices on school supplies in late summer, better even than Dollarama or similar places.

Student fee is yet to be determined, more information to follow in the Fall.

We are very much looking forward to seeing you in the fall!

Have a fantastic summer!

- 3 boxes of tissues (This may need to be replenished before the school year ends)
- 1 heavy-duty plastic duo tang with pockets (for homework and notices)
- 2 ½ plain, ½ lined exercise books (72 pages)
