

Keswick Valley Memorial School
Grade 3-5 School Supplies List 2022-2023

On the back of the page, you will find the list of supplies that your child will need for next year. This is a general list, there may be some additional items requested by the homeroom teacher at the beginning of the school year.

All books, tools and clothing should be clearly marked as belonging to your child. It is a good idea to keep a back-up set of some supplies at home for project work. We encourage our students to reuse their supplies from past years if they are in good condition.

We encourage you to look around a little before you begin your shopping, as many stores (such as Staples and Wal-Mart – they will price match flyers!) have incredibly low prices on school supplies in late summer, better even than Dollarama or similar places.

Student fee \$30 and needs to be paid no later than September 30th. Fees will cover a variety of consumable items such as: duo tangs, supplies for experiments, crafts, projects and other curricular activities, special events, photo finishing, rewards and incentives, etc.

We are very much looking forward to seeing you in the fall!

Have a fantastic summer!
