

**Keswick Valley Memorial School**  
Grade K-2 School Supplies List 2022 - 2023

On the back of the page, you will find the list of supplies that your child will need for next year. This is a general list; there may be some additional items requested by the homeroom teacher at the beginning of the school year. It is also a good idea to keep a back-up set of some supplies at home.

We encourage you to look around a little before you begin your shopping, as many stores (such as Staples and Walmart – they will price match flyers!) have incredibly low prices on better quality school supplies in late summer, better even than Dollarama or similar places.

Students are not asked to change into gym clothes at this age but should have a change of clothing in the event of an emergency in a plastic bag with their name on it. They also need proper fitting non-marking soled sneakers for indoors and for Physical Education classes.

Student fees will be \$30.00 and is due by September 30<sup>th</sup> through Cash Online. Fees will cover a variety of consumable items such as: duotangs, supplies for experiments, crafts, projects and other curricular activities, special events, photo finishing, rewards and incentives, etc.

We are very much looking forward to seeing you in the fall!

Have a fantastic summer!
