Approval of the Minutes from Previous Meeting: September 29th, (approved) Amanda N, (seconded) Kim

Business Arising from the Minutes:

New Business:

- **At home Learning**

Negative - having two different kids with two different sets of standards of work, not being used to homework and then all of a sudden having to learn at home, Dreambox was frustrating

Positive – Weekly Check in or more, each week parents stop in and pick up a package and return it to school, small group check in (may be good for some and not others), weekly lessons given at once to give parents flexibility, online is good with paper pencil, Zearn was good Kim said. Differentiating for each kid (worksheets)

- **Report Cards** – Will look very different this year. Scales have changed for some 1-4 scale same, NA not assessed, new item for term CU – catching up, math outcomes have been

condensed to focus more on priority outcomes, new reading continuum broken down into 6 sections.
