- Third Goal focusing on social emotional learning. We are looking at our own learning about SEL. Going to be adopting the Mind Up program. One parent will be coming in to do Yoga with the students.
- **New Curriculum Changes-** Teachers shared it during the home and school. K-2 it will be exploration time focusing on themed exploration. 80% literacy & Math. Focus is to find out where your students are and build from there. 3-5 60% literacy & Numeracy and 20% Cross Curricular – Inquiry base. 20% - For Wellness
- **Extended Day-** This would have been year three. During Covid shutdown the researcher met with teachers and principals. Researchers felt they could not determine how Covid would affect the study and could not compare therefore would not do the study this year. They have left funding in place. Teacher contract is up this year and until the new contract is completed, they will not cut the funding.
