- [Monday March 27](#) floor hockey intramurals Grades 3-5
- [Thursday March 30](#) MAS Math Night
- [Friday March 31](#) Gr.1 and  $\frac{3}{4}$  York Manor Trip

***Drama** practices are held again this month. Students please bring your scripts and remember to continue to study your lines.*

***MAS Math Night:** Numeracy skills play a key role in the foundation of developing other Math skills, at all grade levels. At McAdam Avenue Elementary we are striving to strengthen students' understanding of numbers, both pictorially and concretely. Please join us for MAS Makes Math "Count" Night on Thursday, March 30th at 6 pm.*

***Skating:** On March 20 from 10-11 am. MAS will be going skating at Willie O'Ree. Parents/Guardians please feel free to meet us at the rink for skating.*

*We need all the help we can get to tie skates 😊 If your child is skating please ensure they have a helmet as this is rink policy. For those students who will not be skating, there will be teachers walking around the track. Students will be expected to either skate or walk the track.*

***RTI** (Response to Intervention) is continuing into March and we are liking the results we are seeing thus far.*

Have a wonderful month of March MAS Families. As always, if you have any questions please contact the school and we would be happy to help.
