***New Hot Lunch orders*** for this school year are done. We recently sent home forms for Hot Lunch that states what days your child will get Hot Lunch for this month but these are not new orders they are ones that was missed throughout the school year. You have already paid for these. Please do not send these forms back with money.

***Clusters:*** each Wednesday of this month we are doing whole school clusters. This is an enrichment opportunity for students to go to different teachers and learn

*something new. The interest clusters that are being offered include: Yoga, walking, plasticine art, corking, building bird houses, building wooden planters, painting, and volleyball.*

***Kindergarten Orientation:*** *an opportunity for students and families who will be attending McAdam Ave. next year to come and visit our beautiful school and meet our staff.*

*Have a wonderful month of May*
