

## MAS November Newsletter

### Hello MAS Families,

- I want to send a special thank you to Home and School for organizing a successful Halloween Howl.
- **Thursday Nov. 3 Home and School meeting** will be at 6:15 pm
- **Monday Nov. 7** The Brick4Kidz Program begins this month. This will be after school for 6 weeks. More information will follow to those who will take part in this program.
- **Monday Nov. 7** EYE-DA screening for next year's Kindergarten students. Please contact the school for specific times for your child if they are coming to Kindergarten next year.
- **Wednesday Nov. 9** Remembrance Day Assembly
- **Friday Nov. 11** Remembrance Day – **NO SCHOOL.**
- **Thursday Nov. 17 PSSC meeting** at 6:00 pm
- **Friday Nov. 18** York Manor Care visit grades 1 and 3/4
- **Monday-Friday Nov. 21-25** MAS book fair. More information to follow.
- **Monday Nov. 21** Report cards go home
- **Wednesday Nov. 23 Parent/Teacher interviews afternoon and evening**
- **Friday Nov. 25 Parent/Teacher interviews in the morning.** Professional Development in the afternoon for teachers. **NO SCHOOL** for students.

**UNB After-School Sports Program** has begun for grades 3-5 each Tuesday and Thursday. Students are learning new skills and have an additional chance to be active. This program will continue throughout November and some of December.

**Leo Hayes High School Clubs** begin this month. Twice a month, during lunch, Leadership students from Leo Hayes will come to MAS and run clubs for all our K-5 students. The clubs that have been organized include: board games/puzzles/building blocks, basketball, outdoor activities, and wall ball. Thus far we have 95% of our students who will participate in these clubs. Thank you Leo Hayes Leadership students!!

**Volunteers** we currently have three people who will be volunteering this year to help with student academic progress. These are individuals that have a background in education or who are acquiring this knowledge now through their studies, and will be working with students on a one to one basis to further student's Reading, Writing, or Math skills. I want to thank these volunteers for making education a priority in their community.

Have a wonderful month of November MAS Families. As always, if you have any questions please contact the school and we would be happy to help.
