Order info

If you are interested in ordering a book please send your child to school with $20.

Once the school has placed the order, the books will be shipped to the school and given to the children who have placed an order.

Child’s name: ______________________
# of books: _____
Total $ included: _____

About the Book

The essence of the book is a concept we developed and dubbed The Davy Rule. Essentially, it is an updated twist on a very old idea. According to The Davy Rule, we encourage individuals to “Ask friends how they want to be treated, and let those friends know how we want to be treated.” With this concept we hope to teach people to consider the needs and differences of others in order to treat them, not necessarily how we would like to be treated, but in ways that are valuable to them—and then to share with those others our own needs and differences.

In addition to The Davy Rule concept, you will find other values that promote strength in character. These include confidence, self-awareness, kindness, empathy, acceptance of differences, determination, and perseverance.
