MEMS Elementary Level School Supplies 2021-2022 For Students Entering Grades 3, 4 & 5

Elementary level teachers request a \$30 school supply fee to purchase supplies for the class. Supplies will be purchased by the teachers over the summer. The following list is a guideline of what will be purchased for each child.

- 6 packages of pencils
- 6 white erasers
- 1 pencil case
- 1 package of pencil crayons
- 2 highlighters
- 20 duotangs (2 white, 2 red, 2 orange, 2 dark blue,
- 2 light blue, 2 purple, 2 yellow, 2 black and 2 green)
- 1 pk. Of 4 Hilroy scribblers
- Headphones
- 1 packages of loose-leaf paper (200 per pkg)
- 2 packages of standard post-it notes
- 2 boxes of Kleenex
- 4 glue sticks
- 1 metric (30cm) ruler
- Pencil sharpener
- 1 pair of scissors
- 1 box of large baggies
- 1 box of small baggies
- Zippered communication bag

Students will need Bristol/display boards and various other material for project work and activities during the school year. These should be purchased only when needed so that they are in good condition.

Students will need a change of footwear for inside the school - one pair of sneakers which they could wear for Physical Education (with soles that do not mark) would be fine.

Students are not permitted to bring or use liquid paper or correction fluid to school.

MEMS Student Fees for All K - 8 Students

In addition to the school supplies, MEMS collects a \$ 30 student fee for all Kindergarten to Grade 8 students. This is collected during the first week in September and will cover the cost of supplementary materials to enhance the classroom learning environment.

Thank you!
