MEMS Middle Level School Supplies 2017-2018 **For Students Entering Grades 6, 7 & 8**

- | | |
|----------------------------------------------------------------|--------------------------------------|
| 6 packages of pencils | 2 packages of standard post-it notes |
| 4 pencil erasers | 1 scotch tape |
| 1 pencil case | 2 glue sticks |
| 1 package of pencil crayons | 1 metric (30cm) ruler |
| 1 package of fine tip markers | 2 highlighters |
| 20 duo tangs covers (various colours) | 1 pair of scissors |
| 5 packages of loose leaf paper (200 per pkg) | 2 boxes of Kleenex |
| 2 packages of 5 tab dividers | 1 USB Flash Drive/Memory Stick |
| 1 calculator with $\sqrt{\quad}$ (not a scientific calculator) | 2 one-inch binders |

Students will need Bristol/display boards and various other material for project work and activities during the school year. These should be purchased only when needed so that they are in good condition.

Students will need a change of footwear for inside the school - one pair of sneakers which they could wear for Physical Education (with soles that do not mark) would be fine.

Students are absolutely not permitted to bring or use liquid paper or correction fluid to school.

MEMS Student Fees for All K-8 Students

In addition to the school supplies, MEMS collects a \$ 30 (\$60 per family) student fee for all Kindergarten to Grade 8 students. This is collected during the first week in September and will cover the cost of student agenda handbooks, locks for lockers, and supplementary materials to enhance the classroom learning environment. Locks will be distributed to Middle Level students when the fee is paid.

Thank you!
