Stay Active and Safe This Winter

Don't let cold weather prevent you from enjoying outdoor activities. Winter in New Brunswick requires proper clothing. Ensure children have a warm jacket and pants. Keep head and ears covered, protect fingers and hands with mitts (warmer than gloves) and wear waterproof footwear with a good tread.

Safety Tips of for Common Winter Activities;

- Wear appropriate gear for the weather including a properly fitted helmet when skiing and skating.
- Wear a neck warmer instead of a scarf. A scarf may get caught in ski lifts or other equipment.
- Consider lessons if your child is new to skiing or skating
- Know the terrain and be aware of obstacles or thin ice, time of darkness onset, etc.
- Choose ski trails that best suit your child's abilities.
- Avoid skiing or skating alone.
- Wear properly fitted skates and ensure blades are sharp and not rusted.
- Ensure proper ice thickness when skating on frozen ponds, rivers and lakes (20 centimeters or 8 inches). Be especially careful on rivers that tend to have strong currents or winter ferry service nearby.

## Remembrance Day Ceremony November 9th, 2015

Members of the Millville Legion, Branch #59 joined us for our annual Remembrance Day Ceremony on Monday, November 9th.

Pictured are the winners of the Remembrance Day poster contest.

A big thank you goes out to the Legion for having this poster contest every year.

GREAT JOB EVERYONE!

Operation Christmas Child was started in 1990. In 1993, Operation Christmas Child grew and was adopted by Samaritan's Purse, a Christian organization run by Franklin Graham. To date, Operation Christmas Child has collected and distributed over 100 million shoebox gifts worldwide. In 2014, Canadians donated more than 700,474 Operation Christmas Child shoeboxes for hurting children around the world.

This year, each class filled one shoebox. A BIG THANK YOU goes out to all who helped make a child's Christmas a lot brighter.
