

November Birthdays

A five week enrichment program will start in mid-November. Students will take part in a variety of learning experiences such as: cooking, pixel art, tap dancing, carving, and others. Different learning experiences will be offered in the new year for students to choose from. If you have a talent you would like to share with a small group of students, please contact the school at 463-6000.

Parents, share your views on daycare services

The New Brunswick Child Care Sector Task Force is consulting New Brunswickers on how to make our daycare services better. Licensed child care provides an essential service for New Brunswick's young families. If you are a parent or guardian of a child under the age of 12, we want to hear your views on child care.

The task force wants to know:

- Is it hard to find quality child care close to your work or home?
- Does your current child care service meet your family's needs?
- What are your thoughts on the cost of child care?

The commissioners are **Corinne Haché**, consultant and specialist in early childhood, and **Pam Whitty**, professor in early childhood education at the University of New Brunswick. The commissioners are working to determine how to best support the quality, affordability and accessibility of the child care sector.

They need to hear from parents like you.

Please complete the survey available online at

www.gnb.ca/engagenb

You have until **November 2nd** to complete the survey. For more information on the Child Care Task Force:

Pre-School Day

Students in Grades K-2 share what traditions are in their homes over the Thanksgiving holiday.

Let's welcome Kylie and Zander to our school. They will be in our Kindergarten class in September 2016. Hope you enjoyed your day with us!

DRAMA CLUB

Drama Club will be after school every Thursday beginning November 5th from 2:15-3:15 pm. This year students will be performing 'The Balloon Tree'. The first few weeks will be getting the children used to acting, using a stage voice and learning how to stay in character. Students in Drama Club will be expected to attend practice every week. Parents are to make arrangements to have their children picked up no later than 3:15 pm.

On Thursday, October 29th Kelsey Trotter, Conservation Educator from the Canadian Parks and Wilderness Society - New Brunswick Chapter (CPAWS NB) visited our Grade 4-5 class to deliver a program entitled "Watch Your Paws". The goal of this program is to educate children about natural habitats and protected areas in our province and to encourage responsible action in nature.

WALK TO SCHOOL IN OCTOBER
Wednesday, October 28th was the last day for Walk to School. After they were finished, students were treated to a special breakfast. We would like to thank all who walked with us. What a great way to start the day.
