**SUSTAINABILITY STUDY FOR MILLVILLE ELEMENTARY SCHOOL**

As you are aware, in May 2015 Millville Elementary School was triggered as a school for a sustainability study due to a student enrolment that falls below 100. This study will be conducted in conjunction with a sustainability study on the three Nackawic schools.

For current information on this study, you may visit the district website at [www.asd.w.nbed.nb.ca](http://www.asd.w.nbed.nb.ca). On this website there will also be a public discussion board for respectful, constructive comments.

The first District Education Council Public Meeting is here at the school on **Tuesday, October 6th** beginning at 6:30 pm. Meeting #2 will also be here at the school on **Tuesday, December 1st** at 6:30 pm.

On **January 28th, 2016**, the District Education Council will hold a public meeting in Fredericton (location to be announced) to discuss the study and vote on a final recommendation for the future of Millville Elementary.

Please visit the website or attend meetings and give your opinions on this very important issue.

PLEASE NOTE: The District Education Council will hold a public meeting September 24th at 6:30 pm at the Woodstock Education Centre. Information regarding this sustainability study for Millville and the three Nackawic area schools may be on the agenda. The agenda will be posted September 17th.

Let's do our best to keep Millville Elementary open!

Our mission is to inspire students to achieve personal success by working together to create a safe, supportive, caring and welcoming learning environment.

# Terry Fox Run

The Anglophone West School District has decided to mark this 35th anniversary with a marathon of its own...one that spans across our vast region of Western and Central New Brunswick and passes by each of our 70 schools in ASD-W. In a relay of interested ASD-W staff members, we plan to cover a 980 km stretch by walking, running or biking over the course of one month (September 10 to October 7), challenging the students and staff to donate \$1 each, with the goal of raising \$26 000 for the continued fight against cancer.

This relay also serves a second important purpose: a symbolic unification of the Anglophone West School District. With three years under our belt as an amalgamated school district, this activity will show that we are one, unified district, committed to serving the students in our system. More information to follow on this event. You may also visit the website at:

## VOLUNTEERS

*Volunteers are always needed.* In the event you wish to volunteer at the school or go on a field trip with your child, you must complete:

Policy 701 (Policy for the Protection of Pupils) <http://701.nbed.nb.ca>;

Be familiar with:

Policy 702 (Tobacco-Free Schools) &

Policy 703 (Positive Learning and Working Environment)

\*\* All policies can be found at:

<http://web1.nbed.nb.ca/ASD-W/Policies?Pages/default.aspx>

You must also provide a Criminal Records Check which may be completed free of charge at the R.C.M.P. office in Nackawic.

You are invited to come to the school to complete the Policy 701. Also, if paper copies are needed of any of the above policies, please let us know.

## Money Collection

When money must be sent to school with your child, please ensure that you indicate your child's name, the amount and what the money is for. Thank you so much for your cooperation.

## MedicAlert

No Child Without is a MedicAlert charitable program that has allowed more than 43,000 children with medical conditions in 3,000 elementary schools across Canada to be protected with free MedicAlert coverage. The program includes a free medical identification bracelet and electronic health record with 24/7 access so that critical health information is quickly available during a medical emergency. For more information, you may pick up a brochure at the school office or go online to:
