

Weekly Update for McAdam High

Another short week is upon us! Report card time for all grade 6-8 students.

Large request: Any families with Ukuleles at home! We are trying to teach how to play the ukulele this year, we have purchased a few new ones, but could use a few more so that everyone can have the opportunity to play. If we could borrow one if anyone has one that would help out the school a long ways. Please let us know!

Monday

1. Congratulations time!!!
2. If you see one of the boys on the basketball team, take time to congratulate them
3. If you see Emily L or Gabi M ask them about the Student Council Conference in Fredericton and congratulate them
4. If you see any competitors from the CyberTitian Team congratulate them on their first round of competition. McAdam is the smallest school competing against schools across the province.
5. If you see any of the students who entered gingerbread houses in the community contest, give them a big high five
6. If you see any of the students from the parade on Saturday, thank them for being part of the community.

Tuesday

-

Wednesday

1. District Math Staff here to support programming for students in grades 6-8

Thursday

1. **Interdisciplinary Community Meeting. Students who are involved with the drug strategy will be participating.**
2. **Any families with Ukuleles at home, please send them with your son/daughter for music class**

Friday

1. No school for students
2. Teachers will be completing Professional learning in the morning
3. Teachers from grades 6-12 are available in the afternoon to meet with any and all parents

Upcoming Events

- [Mega Wish - Polar Express](#)

As everyone knows this wonderful event coming to McAdam, as a school we are going to do everything that it takes to fully support it!! I cannot even wait, I really do love Christmas!!! The school is going to be baking the cookies for the event, we are going to be baking over 700 cookies. If any parent would like to help out, please let the school know. We are going to be baking lots of cookies on Friday if anyone would like to come to the school to help out.
