Dear Parents and Guardians of Graduates of 2020,

The time of year is upon us to celebrate the hard work and success of our grade 12 students. We as a school community are looking forward to honoring this milestone with our students and their families. However, celebrations will be less traditional than in the past due to the current pandemic.

In order to comply with the current recommendations and restrictions put in place by the department of health, the following activities will not be hosted by MMHS this year.

- Night of the Tiger
- Graduation Banquet
- Prom
- Safe Grad

We will be hosting our graduation ceremony at Minto High School, following the social distancing guidelines and group size requirements put in place by the Department of Health. In order to meet these requirements, we will be having two ceremonies for our graduates. Both ceremonies will take place on Thursday, June 18, 2020 with each graduation permitted to invite two family members to attend the ceremony. The first ceremony will be from 4 pm to 6 pm and later that evening the second will take place from 7 pm to 9 pm. Parents will be contacted by the school to inform them of the time for their graduation ceremony.

We thank you for your understanding during these unparalleled times and we look forward to celebrating the MMHS Graduating Class of 2020.
