Students are divided into multilevel teams with a teacher team leader and will be given a colored head band to wear for the week. This will give students a chance to connect with students from different grades and perhaps a teacher that is new to them. These house teams are the same as last year except with new students added and kept the same each year and used for various activities.

Each day we will participate in daily trivia questions on the announcements about Canada. Teams will get 5 points for correct answers.

*Points...dress up points* 1 point for each person dressed up in the team  
*Game points....1<sup>st</sup> place* are 10pts, *2<sup>nd</sup> place* is 7pts, *3<sup>rd</sup> place* is 5 pts and participation is 1 pt. The team with the most points at the end of the week will receive a pizza party. Points will be recorded on a chart in the lobby. There will be certificates for first place leaders in each activity as well.
