Nackawic Elementary School will be offering parents the option of purchasing their child's school supplies through the convenient **School Pack** for the school year 2021 - 2022. The Pack will include all the supplies needed with the exclusion of a few items such as footwear, water bottles, lunch/book bags, baggies, earphones, wipes. The cost of the pack is \$50.00 plus an additional \$2.50 transaction fee.

Although this is only an option and not a fund-raising endeavor, we do encourage your participation in this initiative. By taking advantage of this program all students will have the necessary supplies the first day of school, materials will be common to all students in the class making organization easier and parents will save time and money. Most parents have participated in the past.

**To order the Pack, you may now order online. This is the preferred method of payment. Simply go to the school website at <http://web1.nbed.nb.ca/sites/ASD-W/nec/Pages/default.aspx> and click on School Cash Online to register or you may complete the order form below and return to the office with the payment by June 24, 2021.** Cheques should be made payable to Nackawic Elementary School. Please do not postdate cheques. We will not be ordering extra packs. **NO LATE ORDERS WILL BE ACCEPTED.** Parents not participating will receive a list of needed supplies by mail or in report cards.

If you have any questions, please do not hesitate to give the school a call.
