Nackawic Elementary School parents and guardians are now able to purchase their child's school supplies through the convenient **School Pack** for the school year 2022 - 2023. The Pack will include all the supplies needed with the exclusion of a few extras such as bookbag, sneakers, lunch box etc. The cost of the pack is \$55.00. Considering the increased cost of living and the high gas prices, and as well to eliminate the headaches of back-to-school shopping, this is a fantastic offer.

By taking advantage of this program all students will have the necessary supplies the first day of school, no heavy bookbags to carry on the first day, materials will be common to all students in the class making organization easier and parents will save time and money.

To order the Pack, you may now order online. Simply go to the school website at <http://web1.nbed.nb.ca/sites/ASD-W/nes/Pages/default.aspx> and click on School Cash Online to register or you may complete the order form below and return to the office with the payment by Jun 17th, 2022. Cheques should be made payable to Nackawic Elementary School. Please do not postdate cheques. We will not be ordering extra packs so late orders will not be accepted. A list of school supplies will be included in report cards for those missing out on this deal.

If you have any questions, please do not hesitate to give the school a call.
