2. Draw and design your own edible race car; think about the step-by-step directions you would need.
3. Use simple materials. Here are some suggestions. (**Body:** rice crispy bars, cucumbers, bananas, hot dogs, celery, chocolate bars; **Wheels:** mini donuts, cookies, fruit loops, pasta, life savers; **Axles:** pretzel rods, pretzel sticks, candy canes; **Adornments:** gum drops, mini marshmallows, licorice)
4. Take a video of your car racing down a ramp and share with your teacher!
