Journal Writing: I just want to give you a quick update on your journal entries. The entries do not need to describe what you are doing each day or relate to coronavirus. This is a time for you to free write about anything you would like!

Book Talk:

Since you should all be reading a novel daily, I would like to hear about it! You have two options.

1. You can write a short summary describing your book, the characters, the events taking place etc.
2. You can create a video describing your book, the characters, the events taking place etc. and send it to my email or share with the entire class if you would like.

You can use the following questions to help write your summary.

Is it part of a series?

Which character do you like the most? The least?

What is your favorite part in the book so far?

Do you relate to one of the characters? How?

If you could change one event in the book, what would it be?

Would you recommend this novel to your classmates?
