Suggested Weekly Work for Grade 6 (Crawford)

April 17, 2020

Question: Why do golfers always carry two pairs of pants?

Language Arts

I have enjoyed all the emails regarding last week's assignment. Keep up the good work. For this week continue listening to "Where the Red Fern Grows" by Wilson Rawls, Chapter 10, through audiobook on YouTube and once you are done, send me a 3 to 4 sentence summary of the chapter via email at melissa.hickey@nbed.nb.ca.

In the summary, you could tell me what happened in the chapter, what parts you liked the most, what parts you didn't like and what do you think will happen next. To locate the audiobook, do the following steps: go to YouTube and type in "audiobook where the red fern grows chapter 10". Select the one you want to listen to and enjoy!

Math

Carefully read the following activities that have been planned for week #2:

- IXL Math - [A.2](#) (Word Names for Numbers); [D.1, D.2, D.3, D.4, D.5, D.6, D.7, D.8](#) (Addition and Subtraction)
- Wheel of Fortune Weekly Activity page (see attached)
- Fact Monster - <https://www.factmonster.com/math/flashcards>

Please feel free to reach out to Mrs. Wilson if you are having difficulty with the activities.

Friday, April 24th: Check in Day. Students will email Mrs. Wilson (anne.wilson@nbed.nb.ca) to give a brief update on their progress with the math activities that they worked on for that week. Questions to consider answering: (A) What did you work on? (B) What did you enjoy working on? (C) What were some of the challenges you encountered? (D) Did you find a new math game that you enjoyed? (E) Do you have any questions that you would like to ask?
