Masks:

Common Elements of Culture:

- Values and beliefs
- Economy
- History
- Expressions of Culture
- Technology
- Government

Think about the mask you created during class on Wednesday, April 15, and from the list above, explain the cultural element(s) that are present in your mask. **For example: My mask shows my values and beliefs about having a good education. It also expresses my ability to use colours to create a design.** You may only have one element of culture present in your mask.

Be ready to present your Good/Service presentation on April 22nd.
