

Learning Opportunities - Grade 6 / 7 / 8

Cultural Activities

Topic - TPASKOTIKƏNƏL

This week we will be working on tpaskontikənəl (numbers). In our everyday life whether we realize it or not numbers surround us. I am encouraging you to be aware of these numbers in your household. Do you have a collection of some type in your home? Do you have a farm? Do you enjoy being outside? Do you have a workout you enjoy doing each day? Think outside the box this week during this activity!

Why is the number six so scared? Because seven eight nine!
