

Addictions Research Assignment:

Here are a few websites to help with your research:

- <https://teens.drugabuse.gov/drug-facts/brain-and-addiction>
- <http://www.scholastic.com/drugs-and-your-body/>
- <http://learn.genetics.utah.edu/content/addiction/abuse/>

Include in your assignment:

- Explain what it means to be addicted and how it can make a person keep doing something unhealthy or destructive.
- Identify factors that contribute to addictions.
- Identify how addictions affect physical and emotional health.
- References
