

Instrument Family Poster Project – Due November 9th

You will create a poster illustrating the instrument families. Your poster must include:

- The 4 instrument families divided and displayed neatly on your poster.
- For each section you must include a definition of each instrument family.
- For each instrument family you will include at least 3 different pictures illustrating instruments for that instrument family.
- Color must be used
- You must have a title for the poster (Instrument Families) and subtitles for each instrument family (Percussion, String, Brass and Woodwind)
- Neatness and creativity is required, therefore put care into your work.
- Below is an example for pictures and instruments. Please note this example is missing a definition of each family.
- **You will have your art class to work on this project**

The Instrument Family
