

Parent-Teacher Interviews

Parent-Teacher interviews are on **Thursday, April 4, from 4pm to 7pm** and on the morning of **April 5, from 8:30am to 11:30am**. There is no school for students on April 5th.

Pirates!

Ahoy mateys! Our Drama members have been working very hard and the 2019 musical production of **Pirates!** is just about ready to hit the rolling seas. Our students will see the production on April 17th at 2:00 PM. Our performance at the Drama Festival will be at 12 PM on April

18th, in the theatre at Oromocto High School. Parents are welcome to attend this performance. We will also be hosting our annual Dessert Theatre for family and friends on April 25th in our gymnasium, beginning at 6:30 pm. The cost for admission will be \$2 at the door. Everyone is welcome. All funds raised will go toward the cost of putting on the production. Sail on by for a treat and enjoy the show!

Mrs. Paul and Mrs. MacIntosh

PSSC Meeting

The PSSC will be meeting at 6:30 pm the evening of April 17, in the Summerhill Conference Room. All are welcome to attend.

Summerhill Hockey League (SHL)

Spring time at Summerhill is always a sure sign that our SHL is right around the corner. This intramural ball hockey league has always been very popular. It is open to all of our students and it doesn't matter as to the level of your child's hockey ability. Students are grouped into teams and each team is given an NHL team name. Games typically run into June. All games are played during lunch recess. Any students interested in SHL are welcome to sign-up on April 16th for Grade 3 students, April 17th for Grade 4 students, and April 18th for Grade 5 students. We hope to get the league underway the week of April 29th, 2019.

Summerhill Nutrition Program

The Hot Lunch order for May & June will be available on **April 8th**, both online and in paper copy by request. It will be due on **April 18th**.

Please note that this will be the last order for the school year and will run from May 1st to June 6th.

There will be **no lunch available after the first week of June** as the Nutrition Program will be winding down for the year. Milk will continue to be available until **June 13th**.

Please keep these dates in mind as it will be very important that your child brings sufficient snacks and lunch to school. Also, please ensure your child eats a good breakfast each day as the breakfast program will also be ending when breakfast foods are gone. Once our groceries run out at that time, no more will be purchased.

We thank you for your attention to these very important dates.

2019-2020 School Year

It is difficult to believe but planning for the next school year is already well underway. A "Letter of Intent" is coming home April 2nd, asking where you anticipate your child will be attending school in September.

Please complete the bottom and return it to the school by April 12th. Even if you are not sure you may be moving but think you might, please indicate this on the form and return it. All information received helps with classroom planning for the upcoming year.

Please Be Sure Your Child Is Dressed For The Weather!

Weather permitting, our students are outside twice a day for recess and occasionally for gym. While they do not go out in the rain, the grounds remain very wet. Please be sure your child has appropriate outerwear for the weather – for

example, a waterproof jacket, splash pants, rubber boots. You might also consider keeping a change of dry clothes in your child’s book bag. This will cut down on the calls home during the day.

Skates

Hockey/ Ringette/ Skating season is almost over. As parents look to pack away skates for another year, we would like to ask you to consider donating the skates and helmets that your children have outgrown to Summerhill Street Elementary School. At times, our students are unable to participate in our skating program each year as they do not have access to skates and/or helmets. We always try to keep some in the school for them to borrow. If you would rather see your old skates used by another child as opposed to gathering dust on your already overcrowded shelves, we would be very happy to take them and put them to good use. The Summerhill Stars Community thanks you for your generosity.

Teaching Assignment Changes

With Mrs. Keizer taking leave for the rest of the school year, Mrs. Atherton has now moved into the gymnasium to be our Phys Ed teacher. We are pleased to welcome Ms. Rayan Boutilier for the Grade 3 classroom that Mrs. Atherton leaves behind.

DATES TO REMEMBER: Mark Your Calendar

Apr 2	“Letter of Intent” goes home
Apr 4	Grade 3 Field Trip to UNB for a PowWow – hot lunch orders will be delivered
Apr 4	Parent-Teacher Interviews 4:00-7:00 PM
